Grape variety:

Pinot Noir

Soil:

clay-limestone

Vinification & Aging + Steeping

- A true rosé with a beautiful color obtained by a short maceration of pinot noir grapes. This is what gives it its salmon, luminous shades.
- Vinification in stainless steel vats at low temperatures, always with the aim of preserving the freshness of the wine.

Tasting Notes

This wine embodies pleasure. It expresses itself with very fruity notes, imparted by the pinot noir.
Perfect as an aperitif or with a simple fish.

Serving temperature:

10°C

Ageing potential:

To drink during the year
