Tasting Notes

This 1^{er} cru Les Byots is located slightly above the main road that traverses Mercurey and faces south. It is ample, generous and fleshy, with a beautiful maturity and pronounced flavors of red fruits. It is elegant and ages beautifully. Undeniably, it is perfect with meat: in sauce or simmered. Matured and fermented cheeses would also be perfect

Serving temperature:

15°C

Ageing potential:

Up to 10 years or more
